## BILGIN 263

**Designer** Unique Yacht Design

**Why is she so special?** She's a bit more than a designer's fancy: a contract has been signed and construction began in the spring. She'll launch in 2019. H2 Yacht Design is creating the interior – there are eight guest staterooms.

**Look out for** The infinity pool on the main deck aft is a great feature, and it connects with the whole beach

club complex. The pool's glass bottom helps to illuminate the area below, which boasts its own sea water pool, and there is a folding side terrace that really opens up the space.

**DATA** LOA: 80.1m. Beam: 12.3m. Top speed: 17 knots. Guests: 12. Crew: 24.
