

MINORCHINO 34' / SASGA YACHTS

INSPIRED BY THE SEA-KEEPING ABILITY AND PRACTICAL NATURE OF CENTURIES-OLD “LLAÜTS” – TRADITIONAL, MULTI-CHINE BOATS USED BY BALEARIC FISHERMEN – CHARACTERISTICS INCLUDE AN EXCEPTIONALLY VOLUMINOUS AND USEABLE INTERIOR AND EXTERIOR SPACE, PLUMB BOW, HIGH FREEBOARD, ROUNDED STERN SECTIONS AND LARGE SWIM-PLATFORM.

The living area is a spacious saloon and galley, dominated by tall windows and generous head-room with superb all round visibility and plenty of natural incoming light.

Simple, unadorned fabrics for seat cushions and curtains keep the mood calm and relaxed and in-keeping with the confident and pleasing nature of this well built boat, along with subtle 'retro-

inspired' influences, such as a wooden stem post and wooden mast.

This is a two cabin model, with accommodation for 4 people, plus 2 occasional 'extras' in the saloon. Externally, there's a good size aft-deck and foredeck, with 'walk-around' access.

The new boat offers economical cruising of between 12 to 19 knots, via twin 225hp engines and a maximum cruising range of 330 nm is achievable at 8 knots.

LOA: 10.00m · L Hull: 9.00m · Bmax: 3.80m · Disp: 8.50 Tm
Fuel: 650Lt · Fresh Water: 350Lt · Engines: 2x225Hp
