

MONACO: PRESSED FOR TIME?

MAKE THE BEST USE OF YOUR VALUABLE TIME BY PRE-SCHEDULING A DISCUSSION AND 'NO-OBLIGATION' MEETING WITH BARRACUDA YACHT DESIGN, ON STAND QE2, AT THIS YEAR'S MONACO YACHT SHOW.

Navigating the narrow walkways and bumpy footpaths of Monaco's Port Hercule is tiring, so we invite you to sit down and relax on our stand while we tell you about some of our most imaginative and forward-thinking designs of the recent past.

From cruiser-racers to explorer-style yachts, retro-classics and diverse & extraordinary 'one-off' superyachts, we have the knowledge, experience & passion to take your initial ideas, develop them further and bring them forward

to production reality at sensible & realistic costs.

There's no time like the present, so why not pre-book a meeting with Inigo

Toledo at Barracuda Yacht Design. Tell us what's on your mind and we'll tell you how we might be able to help.

At the Monaco Yacht Show, we sincerely look forward to meeting you there.
