### INTRODUCING THE NEW 65, 68 AND 72FT CE SERIES FROM OFFSHORE YACHTS.

US boat builder, Offshore Yachts, have sold well over 300 yachts in a long and successful history and repeat business is important to this client, but to keep the brand competitive and broaden the appeal, time has come for an evolution of their mid-series 65 to 72ft range.

CONTEMPORARY STYLE

With the mission to widen the customer base as far as possible, our inspired designs for the interior/interior and naval architecture for both Cruising and Explorer versions have been adopted as the basis for their 'next generation' range.

Cool Classic Vibes and Modern Contemporary offerings for the interiors will appeal to the widest possible audience and it's the Contemporary version we are pleased to show you here.
