

## MENORQUIN 48: MODERN DAY CHARM

OUR LATEST INTERPRETATION OF THE QUINTESSENTIAL 'RETRO-CLASSIC' MENORQUIN DESIGN IS THE UNDENIABLY ATTRACTIVE SASGA 48 FB - LATEST ADDITION TO SASGA YACHTS' SIX MODEL LINE-UP, OFFERING CHARM AND CHARACTER IN ABUNDANCE YET MEETING THE NEEDS OF TODAY'S ENERGY AND EFFICIENCY-MINDED CUSTOMER.

Voluminous internal proportions offer two double cabins, plus one further twin cabin. With three bathrooms, a large galley and good size internal furniture and settee, all with plenty of headroom space.

A slightly more practical and more usable design than previous versions, dedicated seating on the foredeck is a new feature for the range, combined with the customary large, expansive aft-deck playing host to those long, lazy mealtimes.

Best of all, the self-contained Fly-Bridge with bimini has greater prominence than on previous Sasga Yachts designs and is a proportionately larger space than we designed before. If her beauty and her looks don't win you over, then her practical features and intelligent design surely will.

MONACO  
YACHT SHOW

If you have any short or longer-term design or naval architecture needs, Managing Director, Iñigo Toledo, will be at Monaco Yacht Show Sep 28-29th and would welcome an initial discussion.
